

# A world of opportunities...

We have been providing interpreting and translation services to organisations in the UK and worldwide since 1992. Our services include:

- telephone interpreting
- face to face interpreting
- video interpreting
- written translation
- voice-over recording
- BSL interpreting.

Due to increasing demand, we are currently recruiting freelance linguists from all parts of the UK, particularly those specialising in African and Asian languages.

Successful applicants will have at least one of the following:

#### *Interpreters*

- DPSI certificate or equivalent
- membership of the National Register of Interpreters
- proven 1,000+ hours experience

#### *Translators*

- membership of Institute of Linguists
- relevant university qualification.
